

SPRUCELY LLC

CAPABILITY STATEMENT — Service-Disabled Veteran-Owned Small Business (SDVOSB)

Exactly as quoted.

The product on the PO, at the price on the quote, on the date in the schedule. Every specification verified against the manufacturer's own data before we quote.

Core Competencies

- Medical and surgical supply fulfillment: instruments, equipment, consumables and furnishings delivered to VA, DoD and other federal healthcare facilities (PSC 6515, 6530, 6525, 6540).
- General federal supply, drop-shipped FOB destination: turf and grounds chemicals (PSC 6810), footwear and clothing (PSC 8430) and other brand-name-or-equal commercial items from authorized distributors.
- Original-manufacturer product with lot traceability; manufacturer installation, field service and clinical training arranged under Sprucely's contract when the requirement calls for it.
- Responsive small-order execution: written quotes in 24-48 hours; one point of contact from award to delivery receipt.

Differentiators

- Founded and operated by a U.S. Air Force veteran and Florida-licensed paramedic (active hospital cardiac care practice); SDVOSB and VOSB verified in the SBA VetCert program through August 21, 2027; eligible for VA Vets First and DoD/civilian SDVOSB set-asides (FAR 19.14).
- Clinically grounded: we understand how medical products are used at the bedside, why specifications matter and what reliability is worth when minutes count.
- Central Florida based (Orlando metro): same-week site access across VISN 8 and the Florida National Cemetery; nationwide delivery through distributor networks.
- Insured for healthcare environments: Commercial General Liability \$1M/\$3M and Professional Liability \$1M/\$3M; certificate of insurance on request.

Past Performance

Sprucely LLC is led by a U.S. Air Force veteran and Florida-licensed paramedic whose patient-care experience runs from emergency field response to hospital cardiac care, where he practices today. Every Sprucely quote is backed by written manufacturer or distributor pricing and delivery commitments, so the price quoted is the price delivered. Active federal quoting in 2026: VA Network Contracting Offices 8 and 19, VA National Cemetery Administration, Army National Guard and the Defense Health Agency. Commercial references and distributor relationships are available on request.
